

# **\$20,000**

## **Get to the Point with a 4 of a Kind**

### Rules

1. The 4 of a kind must be flopped to qualify for a Get to the Point prize.
2. All hands must contain a pocket pair in order to qualify.
3. All 13 Four of a Kinds (Deuces thru Aces), are eligible.
4. Once a 4 of a kind is flopped, that corresponding hand will be removed from the eligible quads and the player will receive the next prize box, in ascending order, on the Get to the Point Pyramid.
5. If a player flops a 4 of a kind that has already been hit for the week, they will receive the regular High Hand Jackpot amount.
6. A player that wins an award from the Get to the Point Pyramid does not also receive the Progressing High Hand Jackpot amount.
7. Promotion ends when all Four of a Kinds have been hit.
8. In the event 2 Four of a Kinds are flopped at the same time, or whether a hand was flopped before the Get to the Point Pyramid “resets” Video surveillance to determine the time of the hand.
9. All Texas Hold'em Progressive High Hand Jackpot rules apply.
10. All prizes are paid in chips.
